

Hello

We are reaching out today to see if your company would partner with Moms & Neighbors for the upcoming school year. Moms & Neighbors is an all-volunteer organization started in 2010, with a goal to provide assistance to families and teens in Independent School District 196 facing a hardship. Working closely with community advocates, like school counselors and social workers, we provide people in need with unexpected gift of kindness.

Your financial support is more critical than ever. Since 2020 we have seen an increase in the number of requests, from families struggling with the basics like food, utility bills, housing, and gas. We have also seen an increase in the number of requests to support homeless teens.

### **Your contribution matters**

Because we are volunteer driven our operating costs are low, which means more of your dollar stays in the community. **99% of all donations go directly to our beneficiaries.**

- Provided \$272,106 in assistance since 2010.
- Received \$79,404 requests in 2022-23
- Expect \$86,000 requests in 2023-24

When you partner with us, we have various ways to amplify your exposure with us. We have an active Facebook group, with more than 1,600 followers, and an average of 1,000 views per post. We also have more than 500 subscribers to our newsletter, as well as our website.

We know there are many worthwhile organizations and I appreciate you taking the time to consider Moms & Neighbors in your annual giving. To reiterate the benefit to our community, this is one of the many notes we received from a kindness recipient.

*Thank You so much for helping my family in a time of need. We've had a rough transition while I was in between jobs. Your help allowed me to get back on track and now things are going well. Without this program I don't know where we'd be and for that I am forever grateful!*

The next page shows you our standard packages, please reach out if you do not see anything that works for you your company. We can work with you to create something that will work, this includes in-kind donations. We would also love the opportunity to present to your employee's information about Moms & Neighbors. If this is something that would be of interest, please let us know. With your commitment on or before 9/30 the package may also include tickets to our Fall Fundraiser on 10/12/2023 at North 20 Brewery.

Please reach out to me with questions and I look forward to working with you,
